

# An innovative and open learning resource for professionals of the furniture industry to expand their knowledge and provide added value for the Green Public Procurement

## GPP ON LINE TRAINING COURSE READY TO BE TESTED

### STRUCTURE

The duration of GPP-Furniture training course is 50 hours and is divided into three interrelated modules:

**Module 1**— Basic aspects of Public Procurement and Public Procurement of Innovation.

**Module 2** — Green Public Procurement.

**Module 3**—Green technologies and materials applicable in the furniture sector.

### OBJECTIVE

The participants in the course will learn what is public procurement, main aspects of the green public procurement, how to bid for public procurement tenders, and the last green technologies and materials that can be applied in the furniture sector.

### METHODOLOGY

Each module is composed by several units where the participants will find:

- **Videos:** one or more explicative videos. There are two kind of videos: animated videos and presentations with voice in off.

- **Slides:** support presentation on the addressed topic.

- **Scripts:** link to the pdf of the video script.

- **Exercises:** different optional exercises to support your training and the acquisition of the new knowledge.

- **Additional materials:** at the end of each module, you will find the section "To know more", where you can find links to additional materials.

### TARGET AUDIENCE

- The audience includes Providers (managers and workers of companies); Buyers (policy makers, staff of public authorities) and Neutral (professionals; students and unemployed) .

### LANGUAGES

The online course is available on [www.gpp-furniture.eu](http://www.gpp-furniture.eu) . It is free of charge and is accessible in English, Bulgarian, Spanish, Romanian and Polish languages

### ASSESSMENT

- In case of passing 100% of the GPP-Furniture training course, students can obtain a maximum of 2 ECVET credits.

- At the end of each module the students find a final assessment with 10 questions about the whole module.

- The students have 3 attempts to pass the assessment. They need 60% of correct answers to pass the assessment and get a Module certificate.

ACTIVITIES (May-October 2018)

**ACTIVITIES (May - October 2018)**

**Fifth meeting in Zaragoza, Spain**

The fifth consortium meeting of "GPP Furniture" Erasmus+ Project was organised in Zaragoza, Spain, on 10 and 11 of July 2018. The meeting was hosted by the Law School of the University of Zaragoza.

During the meeting, the following issues were discussed by the partners:

- Review of delivered training materials: presentations, scripts, videos and additional materials
- Planning of the forthcoming work: finalization of the training materials preparation, recording of videos in/off voice and cartoon videos, translation in national languages, subtitles, etc
- Planning of the pilot tests (October 2018), definition of numbers of professionals to be involved.

The platform with all modules and training materials in different languages will be available for use to the professionals of the furniture sector in November 2018.

**Final meeting in Poznan, Poland**

The final project meeting was held in Poznan on 23-24 of October 2018. The host of the meeting was Poznan University of life sciences (PULS).

- The participants discussed the following:
- update on the uploaded courses of the platform in different languages;
  - results of the implemented multiplier events per countries;
  - planning of the pilot tests that will be organised by BCCI, AMUEBLA and APMR;
  - dissemination activities;
  - preparation of documents required for the submission of the final report;
  - future activities.

**MULTIPLIER EVENTS**

The on line training course was presented in each of the participating countries through organisation of multiplier events. The events were held as follows:

**Romania, APMR—18 of October, 30 participants**

*Venue: Chamber of Commerce and Industry of Bucharest Municipality*

**Bulgaria, BCCI—23 of October, 50 participants**

*Venue: Sofia City hotel Best Western*

**Spain—30 of October, 2 events with 60 participants:**

- *Venue: CETEM - Technological Wood and Furniture Centre*
- *Venue: Engineering and Architecture School, University of Zaragoza*

**Poland— 2 events:**

**PULS— 25 of October, 50 participants**

*venue: Poznan University of Life Sciences, 50 participants*

**GLOBALNET— 23 of May and 24 of September, 20 participants in total**

*venue: Globalnet office premises*

The target groups of the multiplier events included SMEs, furniture-related professionals, public authorities, employers organisations, VET teachers, Students and Teaching Staff of Engineering Bachelor and Master Degrees, Entrepreneurs, workers and VET students of the furniture sector .

Interesting lectures regarding the process of GPP were presented during the events. Promotional toolkit and brochures were disseminated to the participants. Fruitful discussions were held at the end of each event.
