

AOTS New Global Cooperation (NGC)

AOTS Seminar on Renewable Energy in Osaka & Kyushu (8 days)

'Getting in touch with the essence of renewable energy in Japan'

I. General Information

Energy scarcity and global warming are serious global issues all over the world and many countries start to introduce "Renewable energy" which produce energy with less CO2 emission and use of fossil fuel. Also in Japan, researches and installations of new technology on renewable energy such as solar, wind, water and biomass has been encouraged. In this AOTS seminar, participants can learn current situation on renewable energy in Japan through lectures and plant visits.

◆ Date/Fee

Program Date: Mar. 03, 2011 – Mar. 10, 2011

(Staying date: Mar. 02 (Wed) – Mar. 11 (Fri) 2011 = 10days)

Participation Fee: JPY280,000.-

Including accommodation (9 nights), meals (partially), participation fee for the seminar, interpreters, transportation during Study tour, admission fee for visiting site, overseas travel insurance, transportation b/w Kansai int'l airport(KIX)-KKC.

◆ What you can expect?

Providing the overview of the policy on new energy and examples of technology and facilities of new energy in Japan, this program also provide the opportunity to visit and see the several power plants such as solar, wind, coal, biomass, and geothermal power. Through the seminar and visits, you can touch the latest trend of Japanese technology on new energy.

◆ How you learn and get opportunity in the seminar?

After 2-day seminars in the classroom on overview of renewable energy policy and technologies in Japan, 3-day study tour to visit power plants in Northern Kyushu region will be arranged. Also, discussion and presentation among participants will be arranged on the final day of the seminar.

◆ Who is right for the program?

This program is ideal for those who want to learn current situation on renewable energy in Japan. It is also suitable for those who want to get to know Japanese resource persons in the industry.

II. Seminar Plans

◆ Tentative Schedule

date		Morning	Afternoon	Meals*	Stay	
Mar. 02	Wed	Arrive in Japan		- / - / D	KKC	
Mar. 03	Thu	Orientation L: Overview of policy on renewable energy in Japan	L: Overview of policy on renewable energy in Japan	B / L / D	KKC	
Mar. 04	Fri	L: Overview of Technology and Facilities on renewable energy in Japan (Solar power, Wind power, Coal, Recycled biomass, geothermal)		B / L / D	KKC	
Mar. 05	Sat	Free		B / - / -	KKC	
Mar. 06	Sun	Free		- / - / -	KKC	
Mar. 07	Mon	Study Tour	Move to Fukuoka (by Shinkansen (Bullet Train))	V: Power plants -Recycled biomass power	B / L / -	Hotel
Mar. 08	Tue		Move	V: Power plants -Geothermal power	B / L / -	Hotel
Mar. 09	Wed		V: Power plants -Eco town -Coal Power / Solar power -Wind power	Move back to KKC (by Shinkansen (Bullet Train))	B / L / D	KKC
Mar. 10	Thu	L: Discussion/Wrap-up	L: Presentation	B / L / D	KKC	
Mar. 11	Fri	Leave Japan		B / - / -		

B:Breakfast, L:Lunch.

D:Dinner

*Meals to be covered by AOTS are indicated above.

L:Lecture

*All sessions will be conducted in English or with English interpreters.

V:Visit

*The above date and contents of the schedule are subject to change.

- ◆ **Language:** English or Japanese with English interpretation
- ◆ **Number of Participants:** 25 -30 participants (minimum number required: 15 participants)
- ◆ **Country:** All developing countries and others/Preference to a single country
- ◆ **Accommodation :**
AOTS Kansai Kenshu Center (KKC)
7-5, Asaka 1-chome, Sumiyoshi-ku, Osaka, Osaka 558-0221
