

LETTER OF RECOMMENDATION

FROM DEAL MEAL LTD  
IN REGARDS TO A BUSINESS TRAINING PROCURED BY THE BULGARIAN CHAMBER OF  
COMMERCE AND INDUSTRY

To Whom it may concern,

We, Rossitsa Chupetlovska and Gabriela Nikolova, in our capacity of co-founders of DEAL MEAL LTD, are proud to offer our mutual recommendation to the Bulgarian Chamber of Commerce and Industry (BCCI), who provided us with a 2-month business training for entrepreneurs in 2019, under the European program AGROINNOECO.

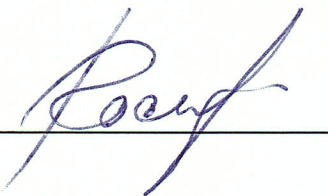

During the training we experienced the top-notch organization and coordination of the professionals from BCCI, Stefan Kostadinov and Dimitar Punov, who made sure that we are informed on time, that we have everything we need and took extra care to make us feel well both during the training and the transportation and accomodation to the pitching venue in the end of the program.

We at DEAL MEAL LTD are very happy with the results after the training, the pitching event, the transportation and accomodation, the catering and the attitude of the people at BCCI. We do recommend the BCCI to anybody who would like to develop and grow as an entrepreneur, or who would like to gain some experience and build fruitful business relationships.

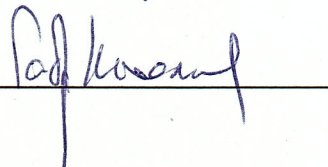

Please, do not hesitate to contact us if you should require any further information.

Best,

Rossitsa Chupetlovska
