# Advice on joined VET in SMEs

## Who can benefit from this service?

- > long-standing firms and start-ups
- > employers in industry and the skilled trades, retail, hotels and hospitality, the digital economy, the creative and media industries, healthcare, the service sector and the liberal professions

# Advice on joined VET in SMEs

## When can firms profit from this service?

- > if training is carried out in collaboration with another company
- > helps secure skilled labour if not all the knowledge and practical skills required under the joined training regulations for a particular occupation can be covered by one company alone
- > can also help employers recruit more suitable candidates who are more likely to apply if they can acquire supplementary professional skills and knowledge from a partner company

# Advice on joined VET in SMEs

## In what respects do we support employers?

- > finding suitable partner firms bases on the specifications of the respective training regulations
- > drafting partnership agreements between training companies
- > clarifying issues arising during training
- > applying for financial support
