

Invitation to the opening of the exhibition for prof. Tabakoff

The Foundation Vision for Science and Technology Growth, together with the State Agency Archives, has organized an exhibition dedicated to prof. Widen Tabakoff - the Bulgarian who was included in the team of Werner von Braun, thus later [contributing to the landing of Neil Armstrong on the Moon](#). The Foundation had transferred his documents from the University of Cincinnati, USA to the State Agency Archives, and had since worked on creating a scholarship fund for students in his name.

The exhibition opening will be held on September 14, 2018, at 11 am, in the exhibition hall of the State Agency Archives in Sofia, [5 Moskovska Street](#) and will be exhibited until 07.10.2018.

In this regard, we would like to invite you to the opening. The US Ambassador, Mr. Eric Rubin, confirmed that he will participate and highlight Professor Tabakoff's contribution to the US space program. For participation in this part of the event, please register [here](#).

Later that day - at 2 pm in the panoramic restaurant of Sense Hotel, located on [16 Tsar Osvoboditel Blvd.](#), there will be a reception for donors for the Fund in the name of Prof. Widen Tabakoff for scholarships.

To confirm your presence on this second part of the event, you can register [here](#) until the capacity is fully booked, then registration will be closed.

**Kindest Regards,
David H. Hampson
Chairman of the Management Board**
