

Support for Start-ups in Bulgaria SIMExpo 2021

Kalin Marinov Advisor, Innovation Norway – Sofia Representative Office

September 29, 2021

Contents

- ✓ Background of the call;
- ✓ Your administrative checklist for eligibility;
- ✓ Call frameworks;
- ✓ Documents and Preparation;
- ✓ Online Application Form;
- ✓ Detailed Activity Budget.

I. Background of the call

- ✓ Supported under the "Business Development, Innovation and SMEs" Programme Bulgaria 2014-2021 under the Norway Grants;
- ✓ Total budget: **EUR 26.2 mln (66.29%)** 32 contracts under implementation and 4 contracts completed;
- ✓ Innovation Norway is selected as Fund Operator;
- ✓ First call launched in 2018;
- ✓ One competitive call remaining to be launched in Q1 2022 (soft measures for business development);
- ✓ Travel support to be opened in accordance with COVID-19 developments;
- ✓ First start-up call.

II. Your administrative checklist for eligibility

Question	Fact	Yes	No
Who may apply?	EU Recommendation 2003/361 & registered in Bulgaria under the Commercial Act	٧	
When should my company be registered?	In the period 6 months to 4 years back from the application deadline – November 18, 2021	٧	
What should be the size of my company?	Micro & small company – up to 49 employees	٧	
What should be the legal status of my company?	My company is not listed on the Stock Exchange	٧	
How was the profit of my company utilized?	My company has not yet distributed profit	٧	
How was my company been established?	My company is not formed through a merger	٧	
How "sleepy" is my company?	My company was economically active in 2020	٧	
Who is the owner of the company?	Only one of the companies in which I have ownership as physical person may apply	٧	

III. Call Frameworks - Focus Area

This call will finance projects proposed by Bulgarian start-up companies in one of the two focus areas.

The applicants must be operating within one of the two focus areas of programme.

Green Industry Innovation

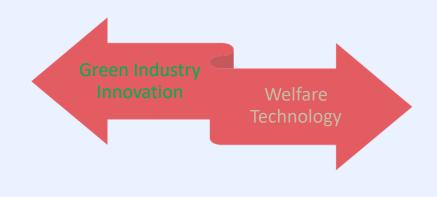

Welfare Technology

Two separate budget windows:

- ✓ EUR 1.5 mln dedicated to Green Industry Innovation;
- ✓ EUR 0.5 mln dedicated to Welfare Technology

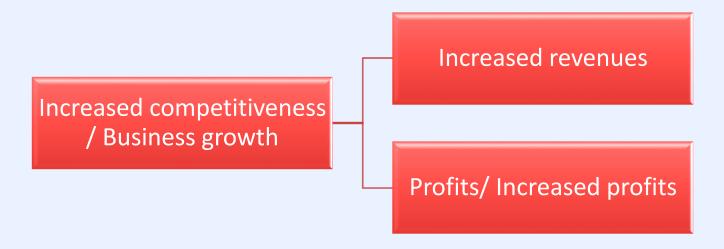

III. Call Frameworks – Focus Area

- ✓ No formal criteria for NACE Code;
- ✓ The aim is to finance development and application of innovative green or welfare technology/products, processes, and solutions;

- ✓ Check projects that have been previously funded brief summary on all supported projects available on: https://eeagrants.org/;
- ✓ Two separate Expected outcomes and output files;

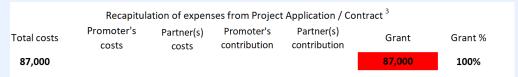

III. Call Frameworks – Main Objective

- ✓ Forecasts to be presented in the Expected outcomes and output files;
- ✓ Background estimations to be presented in the Detailed Activity Budget;
- ✓ Further details to be presented in the application form.

III. Call Frameworks - Project Budget and Grant Rate

- ✓ Minimum grant amount: EUR 5 000;
- ✓ Maximum grant amount EUR 80 000 (grant amount check cell I17 in the Detailed Activity Budget will go red in case the amount is above the limit);

- ✓ No budget differentiations between the two focus areas;
- ✓ Maximum grant rate 85% under Article 22 of GBER (Regulation (EU) No 651/2014) and exceptionally under De minimis (really exceptionally);
- ✓ For the Partners when they are contributing in project co-financing: Maximum grant rate **60%** under Article 25 of GBER (Regulation (EU) No 651/2014) and exceptionally under De minimis (**really exceptionally**);
- ✓ No grant rate differentiations between the two focus areas.

III. Call Frameworks – Partnerships

- ✓ Eligible partners: Any private or public entity, commercial or non-commercial, and non-governmental organisations registered in **Bulgaria** or in **Norway**;
- ✓ Donor Partnership is encouraged and a priority is given to donor partnership projects, in case it is well justified and live;
- ✓ Partnership is not mandatory;
- ✓ Financial aspects of the partnership:

Partners from/ Contributing financially	Not-contributing	Contributing
From Norway (Donor partnership)	Up to 85%	Up to 60%
From Bulgaria	Up to 85%	Up to 60%

III. Call Frameworks – Partnerships

- ✓ All the aspects of the partnership should be included in the Partnership Agreement, including separation of the activities and financial payments PA template is provided;
- ✓ The Applicant Project Promoter is responsible for the project implementation;
- ✓ How to find a partner? Innovation Norway is contributing for the establishment of the partnerships but is not providing concrete contacts and matchings. Potential ways to find partner:
 - Platform: The Explorer (https://www.theexplorer.no/);
 - On Programme website: several databases:

Digital Matchmaking event – at the end of September 2021

III. Call Frameworks – Eligible costs

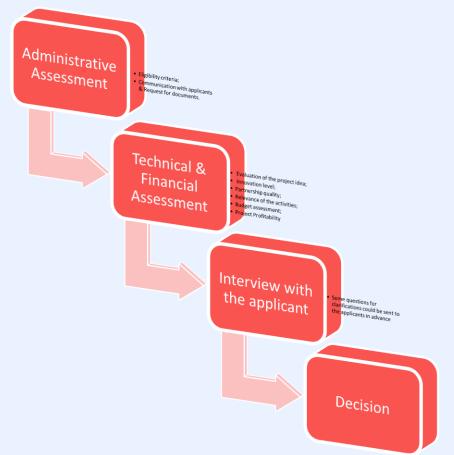

- ✓ Remuneration costs R&D and management;
- ✓ Purchase of new and second-hand equipment;
- ✓ Costs for consumables and supplies;
- ✓ Costs for intangible assets;
- ✓ Costs for consultancy;
- ✓ Non-deductible value added tax (VAT);

N.B.! In case non-eligible costs are included the application **will not be** automatically rejected.

III. Call Frameworks – Eligibility of the Costs and Project Planning

- ✓ Application deadline: November 18, 2021 (2 pm Bulgarian time);
- ✓ Evaluation period 2-3 months: Plan your project starting date in March 2022;
- ✓ All the costs should be made not later than October 31, 2023: Plan your project not to exceed these duration limits – your application could be rejected;
- ✓ Project Implementation Plan, Disbursement Plan and Procurement Plan should synchronized

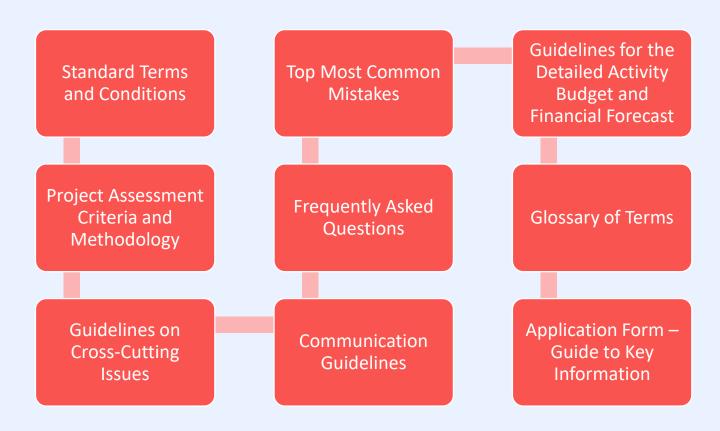

III. Call Frameworks – Assessment Process

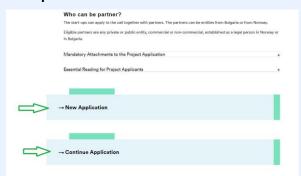

IV. Documents and Preparation – Mandatory Documents

IV. Documents and Preparation – Essential Readings
